

Position: Senior Associate – Accounting & Financial Reporting, Investigations, Government Contract Regulatory Compliance, and Risk Management & Cybersecurity

Position Description: Chess Consulting is strategically focused on growing its service offerings and is now expanding its service areas to include cybersecurity compliance for government contractors. We are seeking candidates for our Senior Associate positions in Reston, Virginia. This is an ideal opportunity for professionals ready to redefine their career by converting their deep audit and or consulting experience into a value-add accounting and financial consulting career while realigning their professional goals and lifestyle needs. Qualified candidates will be CPAs with 2+ years of Big 4 public accounting and/or government contract consulting experience. Our consultants solve difficult problems for our clients in a supportive and collaborative team environment, and they gain diverse experience on a variety of matters including:

- Complex accounting and financial reporting matters
- Forensic accounting and special investigations
- Governance, risk, and control (GRC) services related to internal controls, internal audit, and business process reviews/improvements
- Government contract accounting and regulatory compliance matters, including: FAR/CAS consultation, indirect rate structures, incurred cost submissions, terminations, claims, DCAA audit support, false claims, cybersecurity, etc.
- Litigation support, including developing expert testimony and damages quantification

Qualifications:

- At least 2 years of experience in public accounting and/or government contract consulting
- Big Four experience
- Solid technical accounting and audit skills
- Strong analytical and critical thinking capabilities
- Excellent business process and internal control/SOX skills
- Proficient in Microsoft Office (e.g., Excel, PowerPoint, Word, and Access)
- Strong interpersonal skills and a client service mind-set
- Proactive in seeking self-development and training opportunities
- Excellent communication skills (written and oral)
- Ability to work in a team environment with all levels of client personnel
- Willingness to travel

Benefits: competitive salary, rewarding bonus program, generous paid time off, training and continuing professional education (CPE), opportunities for promotion/advancement, certification study assistance and reimbursement, and a full suite of benefits that you would expect at any large employer (health/dental/vision/life insurance, long- and short-term disability insurance, AD&D insurance, 401k matching, etc.).

About Chess Consulting: we are a business advisory firm led by former Big Four accounting firm partners and practitioners who are supported by a team of certified professionals. Our firm includes specialized expertise in assisting government contractors manage the critical business and compliance risks associated with selling to the government. We advise companies in a variety of industries on a wide range of matters such as complex accounting and financial reporting, corporate governance, internal controls, business risk assessment and mitigation, and regulatory compliance issues.
